

Oops! All... Evil?

by Rohan Sarvaria

TOWNSFOLK

Noble

You start knowing 3 players, 1 and only 1 of which is evil.

Clockmaker

You start knowing how many steps from the Demon to its nearest Minion.

Shugenja

You start knowing if your closest evil player is clockwise or anti-clockwise. If equidistant, this info is arbitrary.

Pixie

You start knowing 1 in-play Townsfolk. If you were mad that you were this character, you gain their ability when they die.

Bounty Hunter

You start knowing 1 evil player. If the player you know dies, you learn another evil player tonight. [1 Townsfolk is evil]

Balloonist

Each night, you learn 1 player of each character type, until there are no more types to learn. [+1 Outsider]

King

Each night, if the dead outnumber the living, you learn 1 alive character. The Demon knows who you are.

OUTSIDERS

Plague Doctor

If you die, the Storyteller gains a not-in-play Minion ability.

Drunk

You do not know you are the Drunk. You think you are a Townsfolk character, but you are not.

MINIONS

Godfather

You start knowing which Outsiders are in play. If 1 died today, choose a player tonight: they die. [-1 or +1 Outsider]

Poisoner

Each night, choose a player: they are poisoned tonight and tomorrow day.

Witch

Each night, choose a player: if they nominate tomorrow, they die. If just 3 players live, you lose this ability.

Lil' Monsta

Each night, Minions choose who babysits Lil' Monsta's token & "is the Demon". A player dies each night*. [+1 Minion]

Fang Gu

Each night*, choose a player: they die. The 1st Outsider this kills becomes an evil Fang Gu & you die instead. [+1 Outsider]

FABLED

Duchess

Each day, 3 players may choose to visit you. At night*, each visitor learns how many visitors are evil, but 1 gets false info.

Barista

Each night, until dusk, 1) a player becomes sober, healthy and gets true info, or 2) their ability works twice. They learn which.

Harlot

Each night*, choose a living player: if they agree, you learn their character, but you both might die.

TRAVELERS

Town Crier

Each night*, you learn if a Minion nominated today.

Artist

Once per game, during the day, privately ask the Storyteller any yes/no question.

Magician

The Demon thinks you are a Minion. Minions think you are a Demon.

Choirboy

If the Demon kills the King, you learn which player is the Demon. [+ the King]

Poppy Grower

Minions & Demons do not know each other. If you die, they learn who each other are that night.

Cannibal

You have the ability of the recently killed executee. If they are evil, you are poisoned until a good player dies by execution.

Barber

If you died today or tonight, the Demon may choose 2 players (not another Demon) to swap characters.

Lunatic

You think you are a Demon, but you are not. The Demon knows who you are & who you choose at night.

Spy

Each night, you see the Grimoire. You might register as good & as a Townsfolk or Outsider, even if dead.

Mezephales

You start knowing a secret word. The 1st good player to say this word becomes evil that night.

Marionette

You think you are a good character but you are not. The Demon knows who you are. [You neighbour the Demon]

Vortex

Each night*, choose a player: they die. Townsfolk abilities yield false info. Each day, if no-one is executed, evil wins.

Sentinel

There might be 1 extra or 1 fewer Outsider in play.

Scapegoat

If a player of your alignment is executed, you might be executed instead.

Thief

Each night, choose a player (not yourself): their vote counts negatively tomorrow.

Oops! All... Evil?

by Rohan Sarvaria

When the Spy sees the Grimoire, the Demon and Magician's character tokens are removed.

If the Poppy Grower is in play, the Spy does not see the Grimoire until the Poppy Grower dies.

If the Plague Doctor dies, a living Minion gains the Spy ability in addition to their own ability, and learns this.

The Marionette neighbors a Minion, not the Demon. The Marionette is not woken to choose who takes the Lil' Monsta token, and does not learn they are the Marionette if they have the Lil' Monsta token.

When the Poppy Grower dies, the Demon learns the Marionette but the Marionette learns nothing.

If the Marionette thinks that they are the Balloonist, +1 Outsider was added.

If the Demon has a neighbour who is alive and a Townsfolk or Outsider when the Plague Doctor dies, that player becomes an evil Marionette. If there is already an extra evil player, this does not happen.

If the Poppy Grower is in play, Minions don't wake together. They are woken one by one, until one of them chooses to take the Lil' Monsta token.

Only 1 jinxed character can be in play.
