

Comrade Demon

by Zets

TOWNSFOLK

Noble

You start knowing 3 players, 1 and only 1 of which is evil.

Investigator

You start knowing that 1 of 2 players is a particular Minion.

Empath

Each night, you learn how many of your 2 alive neighbours are evil.

OUTSIDERS

Moonchild

When you learn that you died, publicly choose 1 alive player. Tonight, if it was a good player, they die.

Barber

If you died today or tonight, the Demon may choose 2 players (not another Demon) to swap characters.

MINIONS DEMONS FABLED

Spy

Each night, you see the Grimoire. You might register as good & as a Townsfolk or Outsider, even if dead.

Pukka

Each night, choose a player: they are poisoned. The previously poisoned player dies then becomes healthy.

Revolutionary

2 neighboring players are known to be the same alignment. Once per game, one of them registers falsely.

MINIONS

The Marionette neighbors a Minion, not the Demon. The Marionette is not woken to choose who takes the Lil' Monsta token, and does not learn they are the Marionette if they have the Lil' Monsta token.

Dreamer

Each night, choose a player (not yourself or Travellers): you learn 1 good and 1 evil character, 1 of which is correct.

Nightwatchman

Once per game, at night, choose a player: they learn who you are.

Fisherman

Once per game, during the day, visit the Storyteller for some advice to help you win.

Lunatic

You think you are a Demon, but you are not. The Demon knows who you are & who you choose at night.

Marionette

You think you are a good character but you are not. The Demon knows who you are. [You neighbour the Demon]

Lil' Monsta

Each night, Minions choose who babysits Lil' Monsta's token & "is the Demon". A player dies each night*. [+1 Minion]

Sentinel

There might be 1 extra or 1 fewer Outsider in play.
